Nikko Rivas - Delpoio

E-mail: nikkorivas@outlook.com

Portfolio: https://nikko-r.github.io/portfolio/

I am a dedicated and passionate person who enjoys technology, art and music. I am currently looking for a role in graphic design, or UI/UX, and have been self-studying for approximately 2 years. I have a lot of experience and a high level of skill using Figma, and a basic understanding of Adobe XD. I have previously built my own 3D Printer, CNC Machine and Computer, and repaired electronics like mobile phones and laptops. I have fundamental programming knowledge and an understand of elements in programming, electronic components including IC circuits, their configurations, and uses.

Alongside my practical skills, I am also reliable and determined.
